

THE PRICE OF IMMORALITY

We live in a society today which is pushing the gauntlet toward total immorality. Everywhere you look you find sensuality and sex blasted before your eyes -- on the entertainment programming, the advertisement industry, and even the news media is moving farther and farther away from the old moral standards of just a few years ago. How far will they go in the next few years?

Violence has also escalated beyond imagination with more and more graphic illustrations of butchering and maiming of human beings. It is no wonder that our society is sliding into a hopeless mess of butchery.

The only hope for our generation is found in the Instruction Book of Life -- the Word of God -- the Bible! As old fashion as many claim, it still is a Beaming Beacon of Righteousness and Morality.

“Do you not know that the unrighteous will not inherit the kingdom of God? Do not be deceived. Neither fornicators, nor idolaters, nor adulterers, nor homosexuals, nor sodomites, nor thieves, nor covetous, nor drunkards nor revilers, nor extortionists will inherit the Kingdom of God” (1 Corinthians 6:9,10).

“For if we sin willfully after we have received the knowledge of the Truth, there no longer remains a sacrifice for sins, but a certain fearful expectation of judgment, and fiery indignation which will devour the adversaries” (Hebrews 10:26,27).

Stern warnings for all who produce, promote, and sanction such filthy behavior. The advertisers that pay for the prime-time filth that invades our living-rooms and embeds itself in the minds of our population, eventually plays out with the loss of dignity and even the loss of life.

“The cowardly, unbelieving, abominable, murderers, sexually immoral, sorcerers, idolaters, and all liars shall have their part in the lake which burns with fire and brimstone, which is the second death” (Revelation 21:8).

Why the unnecessary display of human flesh to sell a product? Why can't the female news commentators on Fox News sit behind a desk and cover their knees and thighs while the men on the same set have proper suits and ties on? One has to wonder if there is not a sinister conspiracy behind it all!

It is all done to attract the eye, the mind, and the heart in order to sell a product. If their product cannot sell itself with the quality they suggest without stooping so low as they sexually arouse the viewing public to get their attention, then they had better improve their product to match their sales-pitch.

How many sexual perverts have testified in court that they were aroused to commit their crimes due to the evil acts they saw on the TV or movie screen? And yet it continues to get worse and worse under the guise of “Free Speech?”

Let's not kid ourselves -- sex sells -- the more flesh displayed the longer the viewer continues to view the ad without even giving thought to the product -- and the end product is an innocent child molested, ruined and scarred for life.

If the advertisement and entertainment media will not change their ways then we, the consuming public, had better start boycotting their products and making our voices heard loud and clear -- or the judgment of Almighty God will be upon us.

Re-read the Bible verses at the beginning of this article -- then stand firm on your God-given convictions - - and be heard -- loud and clear.
