

RAW MATERIAL

I read something recently that I'd like to share with you -- "The devil was doing his best to upset God. He said he could do anything that God could do -- to which God answered, 'Let's see you make a man like I did with Adam.' 'No problem' the devil answered and stooped down to get a hand full of dirt. 'Wait a minute' God stopped him -- 'this is My dirt -- you make your own'."

That may be a short story to prove the power of God over the devil -- but there is something more to think about when it comes to creation --

Many learned men today claim the "Big Bang" theory, believing that all stars, and planets came from one very large explosion. This brings to mind the question, "Where did the original matter and the explosive power come from?"

You see -- all evolution thinking demands further answers, to which they are stumped. The "Big Bang" theory is just that -- a theory -- a thought made up by man to further their rejection of God and His Creation.

God has given us a firm record (the Bible) of exactly how all this began -- no theory -- no ideas of man -- and it has been proven all through these thousands of years. *"All Scripture is given by inspiration of God, and is profitable . . ."* (2 Timothy 3:16).

Years ago I heard the best argument for God's Creation -- "Just suppose you accept God's Bible account, you surrender yourself to Jesus Christ and His finished work on the Cross, depending on His Blood Sacrifice and His Resurrection for your forgiveness of sin, live a Godly life, and end up in Heaven -- what have you lost - NOTHING! -- what have you gained -- ETERNITY with God in the place He has prepared for you" (John 14:1-4).

On the other hand -- "Suppose you reject God's plan and His Word, you accept the theory of Evolution and the Big Bank idea -- you live a life of self-satisfaction and partying and end up in the fiery pit of Hell, Eternally separated from God -- what have you lost? -- EVERYTHING -- and what have you gained? -- ETERNAL FIRE AND TORMENT" -- SOMETHING TO SERIOUSLY THINK ABOUT!

What "Raw Material" are you using to build your future? The Bible speaks of *"wood, hay and stubble"* which will perish -- as compared to *"gold, silver and precious stones"* which will endure (1 Corinthians 3:12-15).

Building your life on wood, hay and stubble is to depend on worldly knowledge -- building on gold, silver and precious stones is to depend on God's sure Word and His knowledge.

To look at the sky and the universe and think that it all just happened by itself is folly -- to think that there is a Superior Power in the hands of God Almighty is to find a reality that we can depend on.

Again -- "All Scripture is given by Inspiration of God -- and is PROFITABLE!" (2 Timothy 3:16) -- it is something proven and solid -- it has lasted from Eternity Past to the Present and it will last to Eternity Future.

Science and theories come and go -- books are written and updated -- men die and their knowledge perishes with them. It is a shame that our schools and colleges are following and teaching these ever changing theories and our children are being brain-washed and lured away from God and His Word.

Make sure of what your sons and daughters are being taught -- look at their books and home-work -- talk to their teachers -- attend parent meetings -- vote for School Board Members that you know are not swept up with this modern
